

HOME LEARNING

What work should I do each week?

- ❖ Complete the activities on your *Activities for Home* sheet.
You will need some help from a grown up for some activities.
- ❖ Some of the activities have this symbol **MUST DO**. This means that this activity is a 'must do' activity for this week.

How will the teachers know how well I am doing?

- ❖ Choose up to 3 pieces of learning that you would like to send to teachers
- ❖ You can send your completed activities to school using the e-mail address eyfs@newby.n-yorks.sch.uk or, if you prefer, you can drop it off in the pop-up porch (remember to put your name on it!) or post it to school.
- ❖ You can also send work that you are really proud of to work@newby.n-yorks.sch.uk and we will share it on our Twitter Gallery @NewbyAnd.
- ❖ If you are not coming in to school for lessons, a member of staff will call to speak to you about your learning every week.

Symmetry Challenge

Last week you made a butterfly with symmetrical wings.

Do you remember what symmetrical means? It is like a mirror image.

Now can you try to make these shapes symmetrical?

Observing Butterflies

When you have made your butterfly feeder keep a diary of how many butterflies you see. Can you describe one of the butterflies to a grown up, then try to write it out in the template below.

We would love to see what you write. Send it to eyfs@newby.n-yorks.sch.uk

Whole School Challenge Internet Safety

BE SMART ONLINE 

S SAFE  Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET  Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A ACCEPTING  Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE  You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL  Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART  Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
