

## NEWBY AND SCALBY PRIMARY SCHOOL

### Preparing for Class 11

Here is some information that you might find useful to help in the smooth transition from Year 4 to Year 5.

#### Meet the teachers

**Mrs Smith**

**Miss Massender**

You might not know that Mrs Smith loves getting outdoors, exploring with her family and her dog.

You might not know that Miss Massender loves art and making things.

#### We have been talking to last year's teachers and know that:

- You all have a very positive attitude to learning and working hard.
- You are caring and supportive of each other.
- You love a challenge.
- Any additional needs that last year's teachers knew about have been shared with us.

#### Ways that Year 5 is similar to Year 4:

- Learning will still be based around a topic or theme.
- Maths, reading, grammar and writing sessions.

#### Ways that it might be different:

- More extended theme projects.
- Chances to deputise for Year 6 jobs.

#### Priorities for the year - things that ensure we get off to the right start:

- Independence in remembering all equipment every day.
- Self-organisational skills, particularly when setting up activities or tidying.
- Taking responsibility for passing on information like letters.

#### The only things that can be brought to school:

**Book bag   Coat   Water Bottle   Packed lunch**(if needed)

**PE Kit** – Please do not send PE kit in the first two weeks.

**Names on belongings** - please put names on everything worn or taken to school.

Please contact **Helen Wardman, Inclusion Manager** or the class teacher if there is anything you feel we need to know to assist your child in settling.
